

Labor for Your Neighbor

Sunday, March 24

On March 24th, Hillcrest will focus on providing help to our neighbors, our members and local community organizations with projects that have been identified.

Families with small children, huddles, and life groups are encouraged to participate together.

Check out our list of projects on the back of this page to find out where you are needed. Sign up sheets will be available beginning March 3rd on the side of the auditorium. Start making plans now to be a part of Labor for Your Neighbor!
